

CHS Holiday Wishes

Every year we are amazed at the generosity of our friends. We are particularly thankful to all for joining us in granting the wishes of the children served by Children's Home Society. Your gift will help children served in the Education and Counseling Services, Residential programs in Brentwood and St. Charles, Pregnancy Counseling, Family Nurturing programs, and overall agency needs. If you would like to support an individual child in the Residential program in Brentwood or St. Charles, their information is listed on the back page.

If you feel so inclined to provide a financial contribution, please visit us at www.chsmo.org to make a secure online gift or call (314) 968.2350, ext. 222.

Thank you for making dreams come true for the children this Holiday Season!
